Sky Garden is sprucely equipped with a fully air-conditioned indoor space that can accommodate up to 150 guests (seated). Whether you are in search for an intimate, outdoor garden wedding, or an elaborate indoor setting, we've got you covered; this indoor space is also readily available as an alternate location in the event of undesirable weather conditions.

Dining Area

Bridal Room

Set in a corner of the venue's indoor area, this room is meticulously designed as a tasteful private space which can be used for any purpose, from glamping up to winding down.

Outdoor Garden

Overlooking an expansive view of the South-China sea, the space is comfortably furnished with a little warmth from the sun and delicate sea breezes. Create snug, memorable events together with us today.
